Ref 57-26-25

Sir,

Adverting to Government Order No. 1074-90, I.J. 145-24-19 dated 21/28th September last, sanctioning the revision of the scale of establishment under the local bodies have the honour to state that the Municipal Council of Holenarsipur, vide its resolution on the effect to the Government order, at a meeting held on the 6th instant, to the effect that the existing scale of establishment consisting of two classes, will do for the present and that their pay may be raised from Rs. 7/- and 5/- to Rs. 7½/- and Rs. 5½/- respectively from 1st January 1927. The municipal President's report and the resolution of the municipal Council in the matter, forwarded herewith for reference.

2. It will be seen from the enclosed report of the President that the income of the municipality amounts to Rs. 16,905/- annually as the average of the past three years 1923-24, 1924-25 and 1925-26 and the municipality therefore falls under the II Class, the scale of establishment of which was fixed in the Government order quoted above at three hands costing Rs. 4,75/- per mensem as detailed in the margin. The present proposal of the Municipal Council to revise the pay of the existing two hands involves an expenditure of Rs. 55/- against Rs. 45/- per mensem, and the excess is only Rs. 10/- per month or

30-1-35
25-1-30
20-1-25

or Rs 120/- per annum and is within the scale sanctioned now

3 In these circumstances, and in view of the fact that the Municipality is growing in importance and has since been proposed to be converted into a Town Municipality, I request that the revision of pay of the two clerks from Rs 25 and 20/- to Rs 50/- and 25/- respectively, may kindly be sanctioned with effect from 1st January 1927 as proposed by the Municipal Council, the cost being met out of the provision made for the purpose in the current year's budget of the Municipality

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Hassan District
